## HAPPY FATHERS DAY!!!

Summer Break is among us so let the riding begin!

Be sure to keep me posted on your rides and send pictures....I will share them in the newsletter.

### **HERE IS WHAT HAS BEEN REPORTED:**

#### May 28<sup>th</sup> dinner ride:

Director Homa reports;

The May dinner ride took a group to the Rustic Inn in Mapleton. The following met at Goerke's corners; Steve Schultz, Jerry Bolyard, Mike Zivicki, Scott Wysocki, Pete Simet, and myself, Chuck Homa. Mark Meyer met us at the restaurant. The food was good and plentiful.

#### June 8<sup>th</sup> Brunch ride/WKSO K-9 ride:

By Director Homa:

Hi all, we had a pretty nice turnout for the K9 (brunch) ride. The following were in attendance, Mark Meyer, Kristi and Andre Bleickhardt, Scott Wysocki, Danny O'Toole, Paul Serdynski and his girlfriend Jayne (Jane) her son Brad, Big Steve and my friend Joe Honzelka (former member and hopefully a future member) and me. Kevin Porter assisted with the escort and he and all the law enforcement did an excellent job. Also riding along with us were friends of Kevin's and riding friends of mine, Steve and Ann. *I think I remembered everybody but in case I forgot someone, remember I'm getting old.*

The ride left the WKSO and we rode a wonderful 52 miles of a circuitous route through the countryside to our rest stop which was a pleasant surprise at Wisconsin Harley Davidson where I had my first cup of coffee of the day.

After a short respite we continued for another 40 miles of more beautiful roads ending at The Lucky Rabbit in the City of Waukesha. The food was great and I

would like to give Paul a shout out for saving spots for us near the front of the parade which allowed me to be first in line for that great food.

The first leg of the ride was 52 miles - feet down not once.

Second leg of the ride was 40 miles - feet down not once.

This was a good ride for a good cause and if you have never participated in it you should consider it for next year.

*It should also be pointed out that I made both legs of the ride without having to use the restroom.*

**\*\*Keep me posted on your rides and I will share them!!**
